IV. OPEN RECORD REQUESTS

All Town records must remain at all times in the custody of the Town. Originals or file copies shall not be released to anyone not in the employ of the Town.

When responding to Open Records requests, regardless of whether the record(s) is inspected or copied, the Open Record Log must be completed. Log entries should describe what was inspected or copied. (see Log attached)

The log should be maintained for a period of two (2) years + current.

Transcripts (verbatim) will be provided by court order only. An applicant has the option of obtaining a copy of any audio recording of a public meeting by making arrangements for duplication and paying the costs. Video tapes may also be copied at the applicant's expense. Minutes of executive sessions are only available by court order and are only released to the judge.

The Town will not bill for copies or other services in conjunction with open records requests. Charges must be paid at the time of service.

The Open Records Act allows \$.25 charge per page when copies are requested and provided, or the actual cost of preparation if the cost is greater. The actual COST may include, but is not limited to, the hourly rate paid to the employee conducting the research, cost of the physical medium of the document (*e.g.*, tape or diskette) and the cost of retrieving the document from off-site storage for inspection.
