STAFF REPORTS:

MARSHAL- Written report attached. The Marshal was attending fire training.

PUBLIC WORKS- Mayor/Administrator Osburn thanked Vic for thinking outside the box to redesign the pump house when unforeseen complications developed concerning the DOLA Grant project at the raw water area. A damaged fire hydrant on Spring Street will be repaired in the spring. Replacement parts are not available for the failing snow plow.

Trustee Hall moved to purchase a snow plow not to exceed \$5,000; seconded by Trustee Maigatter.

ROLL CALL: Yes – Appelhanz, Hall, Osburn, Maigatter, Satterfield, Wilcox
Motion Passed

Dan Coakley, SGM, reported on the pre-engineering report being completed in anticipation of stimulus funds from the Colorado Department of Health. Bid packets will be completed after March. He suggested the Town prepare a master plan concerning water and sewer. Davis Farrar reiterated that the Town needs to pursue DOLA Grant funds to develop a complete Comprehensive Plan for the Town.

ATTORNEY- Attorney Hanlon noted the personnel handbook could be adopted by resolution. The Board set a workshop to discuss the personnel handbook for Monday, January 19, 2008 at 4:30 p.m. Legal counsel will not be present.

MAYOR/ADMINISTRATOR- Mayor/Administrator Osburn had reviewed minutes from past meetings and clarified misstatements made at the December 12, 2008 meeting. Board members had volunteered to serve on committees at the Mayor/Administrator's suggestions not voted on by the Board. He also clarified incorrect procedural actions directed by the Board with regard to the December 12, 2008 public hearing. He asked that the \$510 maximum per year, a small amount to pay for the AFLAC cafeteria plan, be reconsidered to provide a benefit for employees. He further asked that the Board revisit the compensation package for employees.

Mayor/Administrator Osburn complimented the Town's dedicated workforce. He stated that when he was first elected Mayor he had wasted several months being anti-Edith Ann by believing false statements. After investigating each case, he found the statements to be false; and in each case, found Edith Ann to merely be doing her job as Town Manager. He noted two incidents recently called to his attention by Board members; again after investigation, in each case, Edith Ann was correctly doing her job. He admitted he was wrong to believe otherwise. Mayor/Administrator Osburn stated that he trusted the staff explicitly, and suggested the Board change their attitude toward their employees and do what is best for the Town.

He proposed a cut-off date for agenda items to facilitate getting meeting packets to the Board sooner for meetings.

MAYOR/TRUSTEE COMMENTS- Trustee Appelhanz asked, because the Mayor/Administrator Osburn has again voiced his reservations and concerns about the Mayor assuming administrator duties with his limited time available, if the Board is going to do anything to address those concerns. Trustee Satterfield was confused about when the Board made the Mayor Administrator and felt the Mayor was only asked to do three employee evaluations. Trustee Maigatter stated the Board did not vote on the action. Mayor/Administrator Osburn stated that past approved minutes documented the Board's action. Several Board members felt the employee handbook would solve the problem. A part time contractual administrator could be investigated down the road.

ADJOURNMENT

Trustee Appelhanz moved to adjourn the meeting at 9:20 p.m.; seconded by Trustee Wilcox.
